

The Canva APP is an online program that facilitates the creation of presentations for team members. This program contains templates, images and other useful elements for making presentations in free format and also has a paid version that gives access to a wide variety of material to be able to work the presentacions and the videos.

With the application Canva we will be used to prepare the presentation with video to our colleagues from another schools for presentation of the job done. With Canva it is possible to do presentations, videos and a lot of things, it has a lot of facilities to design pictures and documents.

Canva

The screenshot shows the Canva website interface. At the top, there is a navigation bar with the Canva logo and several menu items: 'Diseño', 'Empresas', 'Educación', 'Planes y precios', and 'Aprender'. On the right side of the navigation bar, there are icons for a laptop, settings, a bell, and a 'Crea un diseño' button. Below the navigation bar, the main content area features a large purple banner with the text 'Da vida a tu aprendizaje' and a search bar. Below the banner, there is a row of icons representing different design categories: 'Para ti', 'Canva Docs', 'Pizarras online', 'Presentaciones', 'Redes sociales', 'Videos', 'Impresiones', 'Sitios web', and 'Más'. Below this row, there is a section titled 'También podrías probar con esto...' which displays several design templates: 'Doc', 'Pizarra online', 'Flyer (Formato A4 21 x 29,7...)', 'Newsletter', 'Post de Facebook (horizon...', and 'Post de Instagram (cuadra...'. At the bottom of the page, there is a 'Prueba nuestras nuevas funciones' section and a question mark icon.
