

# *Social encounters*

## **WHY:** Contents and pedagogical content

- a. different social encounters both at the college as well as at the workplaces
- b. pedagogical content for the teachers: inclusive pedagogy, and learning as an all-encompassing process

## **HOW:** Resources and schedule

- a. Getting to know padlet- app
- b. Three sessions, altogether 7hours: 3h+2h+2h
- c. The instructor can be, for example the it-tutor of the college

## **WHAT:** Getting to know the padlet- app

# *Social encounters*

## **THE FIRST TRAINING , 3 hours**

- Introduction into the training: for example a little theater show, a sketch (by local actors/ theater, or by using videos)
- The padlet- app introduction: what is it, how does it work etc.
- Group work: "This I haven't told to my work mates.."
- Dismantling of group work

# *Social encounters*

## **THE SECOND TRAINING, 2 hours:**

1. Going deeper into the pedagogics.
2. The participants plan and create an assignment of their own, and the other participants of the training will test the assignment.

# *Social encounters*

## **THE THIRD TRAINING, 2 hours**

1. Dismantling the assignments and sharing user experiences.
2. Will create an assignment for the students by utilizing the college's own online-learning environment. Integration into teaching, for example by sharing the links into itslearning- system.
